Subject: Creation of Minor Head under the Major Head '0020' and '0021'- Health & Education Cess - regarding

Sir,

I am directed to say that the Finance Bill 2018 has been introduced in the Lok Sabha on 01.02.2018. It is likely that the said Bill will be passed by both the Houses of the Parliament and enacted as a law very soon.

2. As per Memorandum explaining the provisions of Finance Bill, 2018, "Education Cess on income-tax" and "Secondary and Higher Education Cess on income-tax" has been discontinued. However, a new cess, by the name of "Health and Education Cess" shall be levied at the rate of four per cent of income tax including surcharge wherever applicable, in the cases of persons not resident in India including company other than a domestic company. The said cess has been levied so as to fulfil the commitment of the Government to provide and finance quality health services and universalised quality basic education and secondary and higher education.

3. In view of the above, a Minor head under Major head '0020'-Corporation Tax & Major head '0021'- Taxes on Income Other than Corporation Tax is required to be created for the purpose of realization of payment under the said Minor Head due w.c.f 01.04.2018.

4. It is thus requested that a new Minor Head under Major Head-0020 and 0021 may kindly be opened by the name of "Health and Education Cess". It is further submitted that the existing Minor head '504' & '505' under the Major head '0020'-Corporation Tax & Major head '0021'- Taxes on Income Other than Corporation Tax relating to Primary Education Cess & Secondary & Higher Education Cess will continue to be operationalised for facilitating the payment under the said Minor head pertaining to the previous years.

An urgent action in the matter will be deeply appreciated.

Yours faithfully,
