

## **IMPROVED SERVICES FOR OUR BRAVE JAWANS**

The Principal Controller of Defence Accounts, Bangalore has successfully launched the websites of all its six Pay and Accounts Offices (PAOs) under its charge. These PAOs serve the interests of the jawans belonging to the Army Service Corp (ASC), the Madras Engineering Group (MEG), the Maratha Light Infantry (MLI), the Corp of Military Police (CMP), the Pioneer Corp and the Parachute Regiment. This will facilitate the uploading of the pay and allowances details as well as other particulars of jawans belonging to these Corps and Regiments on the Internet. This, in turn, will allow these men access to their pay accounts from anywhere in the country, merely by logging on to these websites. This will facilitate the jawans to view all the transactions instantly, and without having to run from pillar to post for details and clarifications. They can also seek redressal of their grievances online through the net. While the website for PAO ASC was operationalized about a month ago, the websites of the other five PAOs were officially launched on 28/07/2010, as part of their endeavor to provide “customer delight and ecstasy” to the jawans of the Indian Army.

The websites of these PAOs are:
